- Narrative:: I Crystal Martinez DOB [REDACTED] 1992 was driving southbound on NM 84 at approximately 1538. I was following a Marked New Mexico State Police SUV going 60 MPH in a 55 MPH Zone. I had been following Ofc. Durham for about 10-15 miles going the same speed or just below. Upon approaching the final straightaway getting into Espanola Ofc. Durham slams on his breaks and gets directly behind my vehicle at an unsafe distance (following too closely). Ofc Durham activated his Emergency equipment and I pull over on the shoulder in a safe location conducive for Officer safety. When Ofc. Durham approached my vehicle I asked "why did you pull me over" he said you cant ask me that right now. Do I handed over my NM license, registration, and proof of insurance. Of. Durham went back to his vehicle. upon returning to my vehicle he informed me that I was going to be getting a ticket for speeding. I asked Ofc. Durham why if I was going the same speed as him? His tone of voice grew louder and angrier. He did not answer my question so I asked again "how can I be speeding if I was following you"? My Father who was in the passenger seat asked officer Durham when his radar was calibrated? Ofc. Durham yelled at my dad saying that he cant talk to him. I would Compare Ofc. Durham's attitude to an angry child who is not getting his way. I kept asked why I was receiving a citation for going the same speed as Ofc. Durham and he would not respond. Ofc. Durham Cited me for going 58 MPH in a 55 MPH zone. I am Under the impression that unless responding to a certain category of call that demands and expedited response Officers are supposed to conduct themselves accordingly and are subject to the same rules as everyone else. I do not feel officer Durhams actions are consistent with the image New Mexico State Police wishes to uphold. Your Core Values do not condone this type of behavior. •Respect — We will respect diverse ideas, cultures and ethnicity, rendering service in a fair, courteous and dignified manner. •Excellence — We will be distinguished as a world class organization, providing superior service, exceeding customer expectations. •Service — We will be responsive to the citizens of New Mexico and provide the highest quality law enforcement service available. •Pride — We will display our pride by demonstrating dignity and self-respect through personal attitudes, actions and appearance. •Ethics — We will strive to maintain the highest level of ethical behavior possible. •Courtesy — We will be courteous at all times, without exception. •Teamwork — We will work together to improve the quality of life for all of the citizens we serve. My Family has a long history in public safety. My grandfather a retired State Police Officer is rolling over in his grave right now because of the way some officers choose to represent the badge and the State of New Mexico he served for so long. I am one of the biggest supporters for Law Enforcement as a whole but I do feel that substandard officers should be addressed. The only way to get people to believe in your core beliefs is to act according to them and not treat law abiding tax payers in a way that reflects

poorly and contrary to "Ethics, responsibility, professionalism, Courtesy, Service, RESPECT, PRIDE". I will gladly take any citation I am responsible for. However, I will not be disrespected and treated horribly by a substandard officer who shouldn't be wearing a badge if he thinks he is subject to a different set of rules than the rest of the citizens of D-7. I expect this external Complaint to be investigated to the fullest extent. I respectfully request a copy be forwarded to Chief Kassetas and Secretary Greg Forratt whom was so nice and requested to hear about his officers inadequacies. Thank you for your time.

SUBJECT: FY16 Law Enforcement Program Officer Pay Plan

We are pleased to inform you that effective July 4, 2015, the FY16 Law Enforcement Program Officer Pay Plan, Phase II, will be implemented. Phase II of the Officer Pay Plan improves the market competitiveness of NM DPS Officer pay, and enables the Department to improve the step and rank-based compensation plan for our commissioned officers in the Law Enforcement Program.

In accordance with the Plan, effective July 4, 2015, your new base hourly salary will be \$23.49. This salary does not include any specialty team or other special pays. This salary reflects the appropriate step placement in your rank based upon the total number of years of eligible law enforcement service as of July 4, 2015.

Given the dependence upon future funding, movement to the next step cannot be guaranteed for future fiscal years. Please note that this notice is based upon the most current data available to us. Though not expected, should errors be found in the information a correction will be made.

We are pleased to be able to implement this compensation plan, which resulted from the strong support of Governor Susana Martinez, the New Mexico Legislature, and the Executive Team of DPS.
